OUR MISSION (WHAT)

To enhance life chances for young people in, or having recently left, the care system with the Family Care Group.

OUR PASSION (WHY)

We are particularly focussed on supporting young people when they make the difficult transition from care to independence.

The Williamson Children's Trust is a charity run by the Williamson family who are the founders of the Family Care Group, established in 1988.

Our Trustees:

Gerard Williamson
Andrew Williamson
Philip Williamson
Fiona Maudsley
Geoff Lygo
Dave Barrow

WHAT WE DO (HOW)

We offer funding to children and young adults to further their personal and developmental needs. These could be driving lessons, tutoring, help with the purchase of equipment or resources for careers or hobbies, help with setting up a first home in the community and many other applications too.

Where applicable we use our experience of working with children and our network of resources and contacts to guide young people towards the best way of utilising funding when it is granted.

We also put together 'leavers packs' for children and young people who are moving on to independence, as a reminder that help can be available in the future.

TODAY: We generate funding from profit at the Family Care Group, personal donations and corporate sponsorship.

TOMORROW: We direct funds to children, young people and younger adults to enable them to develop their interests, their flair, their creativity and to further their developmental needs.

AT THE END: We have a simple belief, that helping children, young people and younger adults by going the extra mile now, will have a profound and positive impact on their lives as they live them in the future.
